

SURGICAL EMERGENCY CLINIC

You are returning to attend our clinic for a scan/bloods/review. As it is a busy area please refrain from bringing more than one person with you and avoid bringing children if possible.

Once you have had your scan you may have a **few hours** wait to see the senior surgical team.

PLEASE TAKE ALL YOUR OWN PRESCRIBED MEDICATION UNLESS TOLD OTHERWISE.

CT- return at 9:00, eat & drink as normal, you will require a cannula before your scan, and **we cannot guarantee what time the CT will be or if it will be that day.**

CTKUB- return at 9:00, eat & drink as normal, **we cannot guarantee what time the CT will be.**

MRCP- we will call you with a time to come in, eat & drink as normal, **we cannot guarantee what time the scan will be or if it will be that day.**

AUSS- we will call you with a time to come in, you must fast for this scan unless told otherwise.

PUSS- we will call you with a time to come in, you will need a full bladder for your scan, we will tell you when we phone with the scan time when you should start filling your bladder, you can also eat unless told otherwise.

REVIEW/BLOODS- we will call you with a time to come in, you can eat and drink unless told otherwise.
