

JUST in CASE

Keep out of reach of children

These medicines have been prescribed for you in case they are needed in future for your care.

Please keep this case in a safe place.

Please show this case to any doctor or nurse who visits you.

If you need to contact a health professional overnight or at the weekend, please tell them that you have “Just in Case” medicines.

Any medicines not needed should be returned to your community pharmacy. This case is the property of NHS GGC and should be returned to your District Nurse.
